### Why Choose this Training Course?

This course presents a high level appreciation of the principles and practice that underpin great leadership. This course through the process of self study, education and reflection on experience will enable delegates to widen their understanding of leadership competence and apply practical strategies that offer immediate impact. A central theme throughout is that *'all can lead successfully'* regardless of your level in the organisational hierarchy. By attending this informative and challenging intervention, you will learn to develop your own unique "personalized" leadership style and lead others to extraordinary performance.

#### This course will feature:

- An examination of your leadership style and its impact on those you lead
- Practical and empowering techniques that will engage those you lead
- How to harness the power of collaborative diversity to impact efficiency
- Customer focused leadership techniques
- How to align culture and strategy to generate sustainability and success

### What are the Goals?

#### By the end of this course, participants will be able to:

- Appraise their leadership style and build a rationale for personal change
- Implement techniques for strategic organisational change
- Utilise communication techniques that engage and empower
- Create a working culture that aligns to the organisations strategic direction
- Implement strategies that foster commitment to continuous improvement

### Who is this Training Course for?

The course is designed for anyone who occupies an existing leadership role or who aspires to such a position. This course is suitable to a wide range of professionals with some management experience but will greatly benefit:

- Management professionals seeking leadership roles
- High potential delegates “fast tracked” for leadership
- Existing leaders seeking to review and revitalize their performance
- Senior leaders with the challenge of initiating organisational change
- HR professional tasked with supporting and coaching their leaders

## How will this Training Course be Presented?

This course will utilise a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented. This will include an interactive mixture of lecture-led learning & group discussions. All activities are designed to facilitate the application of theory into “grounded practice”. Psychometric tools will be employed to provide personalized feedback of current strengths and to identify potential areas for future development and coaching.
